

MAHENDRA INTERNATIONAL SCHOOL (CBSE)

ANNUAL REPORT 2021-22

Mahendra International school is a part of Mahendra Group of Institutions which is being run under the aegis of Mahendra Educational and Charitable Trust which is established to serve the society through holistic education since **1978**.

Mahendra Group of Institutions has established many Academic and Technical institutions under the able guidance of **Thirumigu. M.G.Bharathkumar, Our revered Chairman & Shrimathi. B.Valliyammal Our revered Secretary**. Our Chairman and Secretary are great academic luminaries who believe that education is the sum total of Wisdom, Experiences, Kindness, Discipline and Compassion.

A Child once admitted to Nursery Class can pass out as a highly qualified professional up to Post Graduation and even go for higher studies in Technical and Research in any of our institutions.

I recollect **Dr. Sarvepalli Radhakrishnan**, who was one of the great scholars and philosophers and a revered guide to educationists who understood the educational priorities of modern India. His famous lines **“The aim of education is not the acquisition of information, although important, or acquisition of technical skills, though essential in modern society, but the development of that bent of mind, that attitude of reason, that spirit of democracy which will make us responsible citizens”**. Our Mahendra Groups believes in the same essence of education that’s why our Motto is **Service to the Nation in cause of Education**.

Our Vision

Our Vision is to optimize the potential of every student to meet the challenges of the competitive world, knowing the best of Indian heritage, inculcating a deep sense of patriotism and an appreciation of Indian Culture coupled with the benefits of Western progress, learning core life skills like mutual respect, cooperation, tolerance and team spirit.

Our Mission

Our Mission is to impart Holistic Education for All round Development, inculcate patriotism in every child and Cultivate Scientific Temperament to empower them to be Global Leaders.

It is indeed my proud privilege to present the **10th Annual Report of Mahendra International School.**

Highlights of Our Achievements

Academic excellence

Montessori: Total 35 Students got A+ & **Academic Excellence 25 Students.**

Primary : Total 144 Students got A+ & **Academic Excellence 35 Students.**

Secondary & Senior Secondary: Total 49 Students got A1, 70 students got A2 & **32 Students received Academic Excellence.**

CCA, Club & Sports Activities

Our students proudly take part in all Inter House Co-curricular and Sports Competitions. They are the members of STAR i.e Shivaji, Tagore, Ashoka, Raman.

We have 4 Clubs **ECO, Science, Literary & Math.**

In **ECO Club**, we sensitize the children towards the environment and build scientific temperament activities organized Garden Activity, Weeds Removing, Seeds sowing and poster presentation.

In **Science Club** children were introduced to NANO Technology and Hydrophobic dress, NANO Fibre Optic Cable, Wind Mill & Mini Projector Model, Micro Seminar and Science Quiz .

In **Literary Club** English, Tamil & Hindi Language skills (LSRW) are emphasized through debate, Skit, Book Review, Word Building Activities and Role Play.

Math Club activities include Divisibility Rules, Mayan History of math, Mayan Numbers, math fun game, quiz, magic Sums, mental math, short cut methods, challenge the numbers, math lab activities, etc.

We have conducted plentiful competitions in CCA under STAR.

My dear Parents you can kindly login to our website

- ❖ Subject Specific Training for Secondary Mathematics and Technical Skill Development under NIIT.

Education empowers and enables a nation. A sound education system is the bedrock of an enlightened society. To build India of our dreams, the foremost task before us is to improve the quality of education infusing modern technologies and addressing the concerns of equality.

It is ingrained in us to believe that while our parents give us life, it is our “Gurus” that shape our character and aspirations. So here the Teachers takes over the responsibility of creating leaders of the future. In present times, emphasis on values such as hard work, integrity, truthfulness, scientific temper, sensitivity towards our environment and honesty is very essential. Mahendra International school Facilitators with all sincerity strive to instill the above mentioned values in the students.

The achievements of my students and teachers are praise worthy and wish that they keep striving for higher bench marks in their pursuit of brilliance. I thank our Stakeholders and Patrons for their constant support and encouragement.

I quote the eternal Lines of **Swami Vivekananda**—

“Arise, Awake, Stop not till the Goal is Reached”
